

INFORMATION ON THE WINGTIP TO WINGTIP ASSOCIATION

Formed on April 2, 2008, as a 501(c)(3) in response to the resolution of the Board of Directors of the Women Airforce Service Pilots of WWII Inc. (now dissolved) to act as its legacy organization, to organize and manage any remaining assets of the Corporation and any further reunion activities, WTWA is a Texas Not for Profit Corporation, Registered Agent: Kate Landdeck at 1505 Greenspoint Circle, Denton, Texas. Kate, Albert "Chig" Lewis and Nell "Mickey" Bright were the initial incorporators, and served as the only officers of the corporation as follows: A Lewis, President and Treasurer, K. Landdeck, Vice President, M Bright, Secretary.

The Bylaws provide that membership is established in two fashions, by right for all WASP and WASP family, and by nomination for all others. The rule is that two members must nominate any proposed member who is not WASP or WASP family. In keeping with the practice of the WASP of WWII Inc., no particular distinction is made between WASP graduates who received their wings, and WASP trainees who trained and attempted to serve but for one reason or another did not graduate. The Bylaws also provide for annual meetings and electronic conferencing to conduct Association business. All this can be seen and read more carefully at our website: www.fifinella.com/wtwa.htm.

WHY JOIN?

Well, the most important reason is of course, the nifty membership certificate that all members will receive (example) But also, there is a chance to help preserve the history of the WASP and the assist at their continuing gatherings at various events, such as air shows and veteran's celebrations around the country. In addition, we are trying to determine the best way to preserve the legacy of the WASP, through educational materials, and participation in such things as scholarship drives, fund-raising efforts for worthy causes and perhaps a special Jacqueline Cochran Award which could be an annual or biannual chance to honor the WASP legacy. The opportunities are what any of us wish to make of them.

If you are a WASP, you are most welcome to join. All that is required is to sign the form and return it to us – by fax to 202-296-1175, or scanned to email, or by personal delivery. or by mail to IBLF or Kate as listed on the form. You can also let your kids and family know that they can join and be thereby in communication with the others that will be working on the Association business. We are also trying to improve our communications by using Facebook and the YahooGroup system, and are open to other methods as well.

The WINGTIP-TO-WINGTIP ASSOCIATION

MEMBERSHIP APPLICATION

ORGANIZATIONAL PURPOSE: Preserving the heritage of the Women Airforce Service Pilots (hereinafter "WASP") of World War II, assisting all living members of the WASP, their families and caretakers. with meetings among themselves and others, and promoting the accurate remembrance of their ground-breaking efforts on behalf of their country and the spirit of transformation which those efforts represent.
