----- This portion to be sent with your donation. -----

**This portion is your receipt. Please separate and keep for your tax records**

Donation Amount: \$15 \$50 \$200 Other: \$ \_\_\_\_\_ Date: \_\_\_\_\_ Check No: \_\_\_\_\_

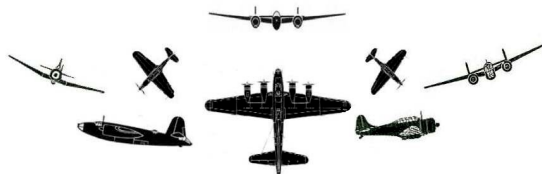

We suggest a donation at one of three levels: \$15, \$50, \$200 to help us track the number and type of donation for our fund-raising campaign efforts, though any donation is very much appreciated. A record of your donation will be sent by email or ground mail to the address submitted with your donation. Any donations \$200 or greater will be returned if unused in this project as planned. If we raise more than sufficient money to pay for the float, and the related expenses, the Wingtip to Wingtip Association will use the money in accordance with its mandate, to support the legacy of the WASP and the telling of their story, as listed on our website: **www.fifinella.com**.

**What can you do:** Apart from your donation, please spread the word. The success of this project depends on the broad reach of social media, the enthusiastic support of people at all levels. We want the support and enthusiasm of everyone who can contribute in small or big ways, or by just letting people know.

In addition, there is plenty of work that volunteers can do, participating in the committees we are forming to assist with design, financial management, transportation issues as well as fund-raising and helping decorate the float in December. Please don't hesitate to email any of us to participate or login to our website at
